

Join the Shoemaker Angel Network TODAY!
We're sharing resources to help ALL Shoemaker kids succeed.

What is the Angel Network?

We are a volunteer group of parents, teachers, staff and community members who provide basic material assistance to Shoemaker students on an immediate, short-term basis. We are part of a “giving network” linked by phone and email, activated when student needs are identified by the caring faculty and staff at Shoemaker. We provide resources such as:

MEALS/GROCERIES SHOES CLOTHING MEDICINE SCHOOL SUPPLIES
TOILETRIES DOCTOR’S EXAMS SPECIAL GIFTS CASH FOR SPECIFIC NEEDS

We believe that ALL Shoemaker kids are OUR kids, and we want them to succeed.

Our Goals

- Support students’ ability to focus on learning in school
- Show support through gifts from Shoemaker families and community groups
- Maintain **anonymous giving** and **confidential receiving** in the true spirit of community
